Dear Ashok,

**Subject:** Resignation from Tasty Bite Board

I have been on Tasty Bite Board since its inception and it has been a long association. I have enjoyed working with you and your team for all these years. I would now request you to relieve me from the Board responsibilities w.e.f. March 2018. I will not be able to continue my services being on Board due to personal reasons.

I wish you and your team success in your endeavours.

Yours sincerely,
